Again death has visited our community and taken little three-year-old son of Mr. and Mrs. Joe Flanagan. The little one had been ill for several months with a complication of ailments. All that medical skill and kind and loving care could do was done but to no purpose and the baby passed away on Saturday morning, November 4. The funeral was held from the Catholic church Monday. The family have the sympathy of the entire community in their hour of sorrow.

Mrs. Clara Neeland, wife of Theodore Neeland, departed this life Sunday, November 5, 1916. Mrs. Neeland had been a great sufferer for a number of years and the greater part of the time was spent in bed, but she bore all with a Christian fortitude characteristic of her life, at an early age she united with the Baptist church and ever since has lived a devout Christian life. To know Mrs. Neeland was to honor and esteem her by her kind womanly ways she was beloved by family and friends alike. She was 40 years, 9 months and 4 days of age at the time of her death. She leaves to mourn, a husband and one sister, her parents having preceded her to the Great Beyond a good many years ago. To the sorrowing ones we join the community in condolence.

P. A. puts new joy into the sport of smoking!

YOU may live to be 110 and never feel old enough to vote, but it's certain-sure you'll not know the joy and contentment of a friendly old jimmy pipe or a hand rolled cigarette unless you get on talking-terms with Prince Albert tobacco!

P. A. comes to you with a *real reason* for all the goodness and satisfaction it offers. It is made by a patented process that removes *bite and parch!* You can smoke it long and hard without a come-back! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

Prince Albert affords the keenest pipe and cigarette enjoyment! And that flavor and fragrance and coolness is as good as that sounds. P. A. just answers the universal demand for tobacco without bite, parch or kick-back!

Introduction to Prince Albert isn't any harder than to walk into the nearest place that sells tobacco and ask for "a supply of P. A." You pay out a little change, to be sure, but it's the cheer-fullest investment you ever made!
